What's Included

- ✓ **Board-certified physician oversight** for every enrolled employee, in all 50 states
- ✓ **Licensed 503B partner pharmacies** — pharmaceutical-grade compounding, no brand-name markup
- ✓ **Fully managed program** — we handle prescribing, fulfillment, and support; HR simply enrolls employees
- ✓ **Flexible plan structures** for self-funded, fully insured, TPA, GA, and association models
- ✓ **Monthly utilization reporting**, de-identified, so you can track cost and engagement

Sample Cost Snapshot

Traditional PBM channel	\$900–\$1,400 / mo / employee
Typical MedFit group savings	60%+
Setup cost	\$0

Illustrative only — traditional-channel range reflects typical pre-rebate reporting from employer groups. Actual savings depend on your group's utilization, plan design, and negotiated rates. Send your pharmacy claims data for an exact, no-obligation comparison.

From First Call to Employees Enrolled — In 30 Days

STEP 1

Savings Analysis

Share your current pharmacy claims. We show you exactly what your group would save.

STEP 2

Custom Proposal

A proposal built for your plan design, group size, and budget — no one-size-fits-all pricing.

STEP 3

Onboarding

White-glove HR onboarding: employee communications, enrollment access, account manager.

STEP 4

Employees Enroll

A HIPAA-secure intake, a physician consult, and medication delivered to their door.
